

Statement of Principles

Pregnancy Support Group is committed to assisting women carry full term pregnancies by providing emotional support and practical assistance. Through the provision of dedicated volunteers and the community at large, women may face the future with hope and plan constructively for themselves and their babies.

We are committed to creating an awareness within the local community of the needs of pregnant women, increasing parental knowledge of healthy parenting styles, the importance of male role-models and providing financial relief to needy families with baby & toddler supplies.

PSG does not discriminate in providing services because of race, creed, color, national origin, age, economic or marital status. The Pregnancy Support Group is an outreach ministry of Jesus Christ through His church. Therefore, PSG, embodied in its volunteers, is committed to presenting the Gospel of our Lord to women with crisis pregnancies.
